Speaker

Dave Choi

We're so excited that you're here! The annual member's retreat is a time for us to gather as a family and be together across four locations.

God has shown up in significant ways every time we have gathered. Members have found healing and encouragement through the Gospel preached and applied in small groups. It's also a space for us to be reminded of the vision and DNA of our church. It's the only time we get to be together for an extended time as a Beloved family.

This year I'm excited for us to go deep into the first three chapters of the Bible and see how the creation and fall help explain so much of what we are struggling with and how it all points to our precious salvation in Christ. Would you pray for this retreat to be an intimate time with God and with one another?

God will meet us as He always does when we gather in faith. I'm looking forward to being in His presence together.

Guest Speaker

AJ Smith
